

Internship Opportunities

Pakistan LNG Limited (PLL) is looking for the following position qualified from reputable local or foreign institutions/ universities recognized by the Higher Education Commission of Pakistan:

IT System / Network support

If you are a graduate or undergraduate looking to experience real business at a multinational company, we offer internships that allow you to see for yourself what our company is all about. Being an intern means more than getting involved in the day-to-day running of the company. As an intern, you'll get exposure to real projects and challenges in a vibrant environment and gain real world experience. Graduate Internships are expected to contribute to the success of PLL through innovative ideas and value creation gained both in school and through previous work experience. Recent graduates often possess fresh knowledge, allowing them to be the pioneers of our company.

PLL is an equal opportunity employer. Interested individuals should email their application at the following email addresses admin@paklng.com and it@paklng.com with subject “**Internship in IT**”. Resume along with scanned copy of CNIC shall be prepared and sent on the following format (in the same order).

1. Name (As per CNIC) along with email address, residential address, mobile number/contact number
2. Educational Details
3. Experience
4. Achievement

Perks: Stipend will be awarded to the meritorious interns who perform in an exemplary manner.

An ideal candidate will have minimum of sixteen (16) years of education **Majors in Computer Sciences/ Software Engineering.**

Only the students who have received their degrees are eligible to apply.

The duration of internship will be for an initial period of (03) months which may be extended based on performance by accepting the internship opportunity, it will be assumed that the intern shall abide by PLL code of conduct and all other policies and procedures from time to time.

Resume / CV, photocopies of CNIC, Educational Degrees (matric onwards), Experience Certificates, any other documents mentioned shall be required at the time of interview. The last date of application is **January 31st, 2024.**

Only shortlisted candidates will be contacted / called for test / interview. No applications will be entertained after the due date and all the appointments will be made on open merit.
